

ASSEMBLY BILL

No. 2075

Introduced by Assembly Member Fong

February 23, 2012

An act to add Section 110 to the Water Code, relating to water.

LEGISLATIVE COUNSEL’S DIGEST

AB 2075, as introduced, Fong. State water policy.

Existing law establishes various state water policies, including the policy that the growing water needs of the state require the use of water in an efficient manner and that the efficient use of water requires certainty in the definition of property rights to the use of water and transferability of such rights.

This bill would declare that it is the policy of the state to promote water conservation, water efficiency, and water recycling as the most cost-effective means of increasing water supply and protecting the environment.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 110 is added to the Water Code, to read:
- 2 110. It is the policy of the state to promote water conservation,
- 3 water efficiency, and water recycling as the most cost-effective
- 4 means of increasing water supply and protecting the environment.
